

Elevated Dance Project

2010
Recital Pictures

It's Summer!

The recital was wonderful. Thank you to all 203 students that graced the stage during our two night show. Our biggest yet – seemed to go as smoothly as it ever has. Thank you to all the moms for helping with costume changes, to the backstage helpers, the teachers for the many hours of choreography and to the parents that allow for their children to be part of the EDP family.

Recital DVD's should be in by the end of July. We will send out an email to notify everyone when they are ready! Reminder: those are already paid for. They are included in the initial registration fee.

Didn't get your copy of the Dance Picture DVD? No problem, just stop by the office during one of the many dance camps and pick one up for only \$20.00. You get all the prints – you can print as many of whatever size you wish!

The EDP Company try-outs were also a success last week. The 2010-11 EDP Company will have over 50 dancers divided amongst 6 teams.

A reminder about our summer dance camps. They are **NOT** limited to company dancers! **EVERYONE** is welcome!!! Bring your friends and

introduce them to dance at EDP. They are a great way to keep your muscles loose, tweak up on your technique, catch up with old friends or make new ones, and get out of the sun (when it finally shows up in Boise!) All classes will be held at the EDP studio. Cost varies from \$80-\$200 depending on the number of hours per day, but include all four days! Each student who registers for multiple EDP camps will receive a 30% discount off the second and third camp.

Camp #1: June 14-17 – open for ages 12 and under. Click [here](#) for the schedules for age groups: Kinderbaby (3-5), Pre(4-6), age 6-8 and ages 9-12.
