

ELEVATED DANCE PROJECT

January 2010

Happy New Year!!!

We hope everyone had a great two week break off from reality, but it's back to our daily grind of routines.

In no time it will be recital time. Many of the teachers have already ordered the class costumes. Parents, please watch for notifications to come home with your dancer regarding individual costume costs as they will be added to your account. All accounts must be paid in full in order to perform in May. Dancers, please try not to miss any classes, as the teachers will be starting (if not already) and finishing their routines, so everyone has ample time to learn them before the recital. Attendance is important.

One new, exciting and fun event that we are planning for Friday, Feb. 26th, is an EDP Prom Night for all of our dancers. This will be no ordinary prom – dancers are to invite their parent to escort them to the evening of dancing. More details to be announced soon.

We hope that everyone is ready to get back into shape, back into the routine, and back to DANCING!!!

Lost & Found Items

Please make sure you have gone through the lost and found prior to Jan 15th! ALL unclaimed items will be donated to good-will! The bins are OVER FLOWING!!!

We would like to thank everyone that endeared the chilly weather on December 5th for the Meridian Winterland parade! Although it was definitely colder this year, those that came out still had fun. We had over 50 dancers participate in this year's float. Thank you to all the parents who helped in preparation for this event. We could not have done it without the candy donations, gift wrapping and goodie preparations. We learned a lot about what we should change and do for future parades.

EDP New Year's Reminder: Tuition is due this first week of classes!!! Afterwards there is a \$10.00 Late fee!!!

You can mail checks to: 1396 East Iron Eagle Drive Suite 300, Eagle, ID 83616
