

Elevated Dance Project

A Successful Family Prom, enjoyed by many.

Thanks for making it A Night To Remember!

Dance Recital Details!!!

Oh My Gosh! There are only 10 more weeks (10 practices!) before the recital!!! How exciting and nerve racking at the same time! We know our dancers and teachers have been working hard and will be continuing to finish and polish up those routines before May 20th & 21st. Reminder, unless you are ill, we REALLY need EVERYONE at EVERY class!

We sent out an email stating the classes in each of the recital dates. There is also a list on the main bulletin board. We did our best to limit the number of families that had to come to both nights, thank you for your understanding!

May 19th is the rehearsal for BOTH shows. We realize this night may be a late one. To minimize the length we will only be able to go through each dance once and we will NOT be doing the solo/duo/trio numbers.

Recital tickets will go on sale on April 26th. You can stop by the office or go online to purchase. Last year we were sold out. We have added a second show, but there are more dancers and

dances, so please do not delay your purchase!

Teachers should be sending home costume costs sometime this month (if not already). Many costumes have already began arriving for fittings. Your student will NOT be allowed to take home the costume if it is not paid for first! We need all costumes paid as soon as possible when they are ordered and received. Thank You.

Group and Individual pictures will be taken on Sat. May 1st. We are working on the times to get that to you, but please mark your calendars! We will be doing the picture CD again this year, and should be available at the recital for purchase.

Also, again this year, we will have flowers available at BOTH shows for purchase.

Please watch your emails for more details as we get them.

Melissa & Kim
